CONDITIONS OF SALE.

1. The highest Bidder to be the Purchaser, and if any dispute arise between two or more bidders, the Lot in dispute may be put up again at the Auctioneer's discretion. If any dispute or difference arise about any Lot or Lots, the same to be settled by the Auctioneer, **whose decision is final**. The Vendor and Auctioneer reserve themselves the right to bid, alter, or withdraw any Lot or Lots.

2. No person to advance less than 5 per cent. at each bidding, or such sum as shall be determined by the Auctioneer. No bidding may be retracted, but the Auctioneer may refuse to receive any bidding.

3. The purchasers are, when required, to pay down immediately a deposit in part payment, such deposit to be applicable to the Lot or Lots purchased, and to give in their names and places of abode when required; in default of which, the Lot or Lots so purchased shall be forfeited and at the disposal of the Auctioneer.

4. The Lots are to be cleared and taken away with all faults, imperfections, or errors of every description at the Purchaser's expense, on or before **Five o'clock, Wednesday, 21st April, 1909** (excepting such Lots as the Auctioneer may give special permission, in writing, for extended time), **and in this respect time shall be deemed the essence of the contract**. In cases where a buyer purchases more than one Lot, the whole amount of the Lots purchased is to be paid for before any one Lot is delivered. All Lots are at the Purchaser's risk from the fall of the hammer. **5 per cent. per lot per day will be charged on all lots uncleared on the day and time stated.**

5. The Lots are sold with all faults, errors, mis-statement and mis-description, and all Lots sold by weight are to be taken to the scales and weighed at the expense of the Buyer. **No allowance will in any case be made for any deficiency in quantity, mis-statement, mis-description or mis-measurement** (clerical errors in sale accounts only excepted). **The Lots are sold as shown at the time of sale.**

6. Upon failure to comply with the foregoing conditions the deposit money, or any monies paid, shall be forfeited, and all Lots uncleared by the time specified, may be removed by the vendor or the Auctioneer and re-sold either by public or private sale without any intimation to the defaulters; the deficiency, if any, on such re-sale, and all expenses in any event attending the same, shall be made good by the defaulters.

7. Purchasers are forthwith to make good any damage which may be caused by them to the buildings, fixtures, etc., in taking down or removing and clearing away the Lot or Lots purchased by them, and shall, if required, give to the Auctioneer an indemnity to his satisfaction in respect thereof before removing the goods from the premises.

8. All lots are sold without warranty.

NOTICE.

During the Sale the Purchasers will be required to conform to Condition No. 3; as on refusal to pay the Deposit, the Lot will be immediately resold.

The Auctioneer begs compliance with this request in all cases, and a Clerk will be in attendance at the Sale for the special purpose of receiving Deposits, and such Deposits will not be allowed for, unless the receipt is returned at time of settlement.

Cheques not taken or Transfers made.

CONDITIONS OF SALE.

1. The highest bidder shall be the purchaser, and if any dispute arise between two or more bidders, the property shall be put up again at the last undisputed bidding. No person shall advance at each bidding less than the sum which shall be fixed by the Auctioneer at the time of sale, and no bidding shall be retracted. The sale will be subject to a reserved price and to a right for the Vendor to bid.

2. The Purchaser shall, immediately after the sale, pay to the Auctioneer a deposit of £10 per centum on the amount of the purchase-money, and sign an Agreement to complete the purchase according to these Conditions.

3. All fixtures belonging to the Vendor will be included in the sale.

4. The remainder of the purchase-money shall be paid and the purchase shall be completed on the first day of June next, at the office in Grantham of Messrs. HENRY THOMPSON & SONS (the Vendor's Solicitors), and if from any cause whatever, other than the wilful default of the Vendor, the purchase shall not be completed on that day, the Purchaser shall pay to the Vendor interest after the rate of £5 per centum per annum on the remainder of the purchase-money from that day until the completion of the purchase. The Purchaser shall be entitled to the possession of the property from the said first day of June next, all outgoing up to that day being discharged by the Vendor. Current rent and outgoing (if any) shall be apportioned for the purposes of this Condition, and any money payable by or to the Purchaser on such apportionment shall be paid with or deducted from the purchase-money at the time of completion, but inasmuch as the premises are now vacant, the Purchaser may, at his option, enter into the occupation thereof as tenant, upon the signing of the Contract and payment of the deposit on the terms of his paying as rent for the same from that date up to the said first day of June next a sum equivalent to interest at the rate of £5 per centum per annum on the balance of the purchase-money for that period.

5. The Vendor is the registered proprietor, with a possessory title under the Land Transfer Acts, 1875 and 1897. The title shall commence with the Lease from the London County Council under which the property is held, and the Vendor will (with the Abstract), give to the Purchaser an authority in writing to inspect the register. The Lease under which the property is held will be produced at the sale and may be inspected for seven days before the sale at the office of the Auctioneer and the Purchaser shall be deemed to have notice of all the contents thereof.

6. The Statutory Declaration to which the Purchaser is entitled under Section 16 of the Act of 1897 as regards matters declared by

the Acts not to be incumbrances, shall be prepared by and at the expense of the Purchaser.

7. All objections and requisitions in respect of the Title or the Abstract or Particulars or anything appearing therein, shall be stated in writing and sent to the Vendor's Solicitors within ten days from the receipt of the Abstract, and for the purpose of any objection or requisition the Abstract shall be deemed perfect if it supplies the information suggesting the same although otherwise defective. Any objection or requisition not stated and sent within the time aforesaid shall be considered waived, and the Vendor's answer to an objection or requisition shall be considered satisfactory if not replied to in writing within three days from the receipt thereof. If the Purchaser shall make any objection or requisition in respect of any of the matters aforesaid or as to the Conveyance which the Vendor shall be unable or unwilling to remove or comply with, and shall not withdraw the same within seven days after being required so to do in writing, the Vendor shall be at liberty (notwithstanding any intermediate negotiation on the subject of such objection or requisition or attempts to remove or comply with the same) by notice in writing to the Purchaser to rescind the sale, in which case, the Purchaser shall receive back the deposit and shall return to the Vendor the Abstract of Title and any other papers in his possession belonging to the Vendor, but he shall have no claim for interest or costs, or otherwise.

8. Upon payment of the residue of the purchase-money at the time and place aforesaid, the Vendor will execute to the Purchaser a proper transfer of the property, and at the same time deliver to him the Lease and the Land Certificate. The Transfer shall be prepared by and at the expense of the Purchaser and shall be left at the office of the Vendor's Solicitors for execution by the Vendor not less than seven days before the day appointed for completion.

9. If the Purchaser shall fail to comply with these Conditions his deposit-money shall be forfeited to the Vendor, who shall be at liberty to re-sell the property either by public auction or private contract with or without notice to the Purchaser at the present sale, and the deficiency (if any) arising on the re-sale, and all expenses attending a re-sale or attempted re-sale, shall be made good by the defaulter at this present sale as liquidated damages.
